Step 1 - Before deciding read the Product Disclosure Statement (PDS) which explains the nature of your right to access our policy and the important benefits, risks, conditions and exclusions that apply. You can obtain the PDS from Walkers. Walkers has certain notice and obligations to you in relation to the insurance. These are specified in the PDS. It is responsible to you if these are not met.

Step 2 - In the table below insert a Declared Value for each of the listed types of General items of property. For the Specific Items listed, please insert a Declared Value for each item individually.

Please note: WFI does not cover any property for which no Declared Value has been specified or which is not covered by the policy. Items such as cash, jewellery, watches, stamps precious stones or similar valuables are not covered (See page 5 of the PDS for full details of items that are not covered). You should not take these items into account when providing a Declared Value.

Please keep in a safe place a record or evidence of ownership, value and detailed description of any property insured to ensure the claims process can be handled as quickly as possible.

Step 3 - Sign the Declaration and give the completed form to Walkers which will confirm what cover you have access to (ie Transit and/or Storage cover).

Section 2: Transit and Storage Insurance Benefits SPDS

Dated: 1 April 2009

This SPDS supplements and amends the Transit and Storage Insurance Benefit Product Disclosure Statement dated 1 April 2009 (PDS).

All words and phrases in this SPDS have the same meaning as they do in the PDS.

This SPDS must be read together with the PDS as it provides you with the dollar amounts of the aggregate limits of cover for all Insurance Benefits entered into under the Policy. This is important information as it sets out circumstances where you may only be paid part of your claim

The “Important Limits” section of the PDS is updated by inserting the following paragraph after the last bullet point of the third paragraph:

The aggregate limits of cover (the most WFI will pay) under the Policy for all claims by all persons covered under the relevant Insurance Benefits are:

Transit cover	\$200,000 per conveyance
Overseas Transit Insurance Benefit	\$200,000 per conveyance
Storage cover	\$1,000,000 per location

For each Insurance Benefit, the above limits include amounts payable under the Optional Insurance Benefits you have accessed.
