

Make the move with Walkers.

Most people don't list moving and storage as their first career choice. Have you? Take a minute now to learn what's on offer at Walkers, one of Australia's premier moving businesses. You might be surprised at how much more there is to moving.

More Careers - From management to moving teams, from admin to accounts, from sales to customer service.

More Opportunities - An industry experiencing huge growth, especially in QLD. Fast tracked progression for proven performers.

More Flexibility - Long term careers to part time support. Office work or out with customers. Local, interstate and international.

More Development - Commitment to staff training and development at all levels

More Money - Well paid roles throughout the business

If you are looking for a career with a positive and professional company and have the drive and commitment to be successful then make yourself known to Walkers. We have a number of important roles to fill right now. See www.walkmove.com.au to find out more about us. Contact Juliette at Walkers on 1800 630 077 or via email at walkers@walkmove.com.au.

Walkers *moving and storage*
